HOTELS

Together for energy efficiency, every action counts.

Go Green, Skip the Clean - help minimize our
environmental impact.

19°C is the ideal temperature for a comfortable night.

Use heating and air-conditioning with moderation.

Television and lights switched off = electricity off.

Every drop counts, use water sparingly.

One towel is enough, even for several nights.

Help us sort our waste responsibly.

Here, we stop using disposable plastic.

Ride for the Planet: the hotel provides information on
electric bike and scooter hire nearby.
